TROLL THOUGHTS

WHY NOT USE NECROMUNDA GANGERS AS PENAL TROOPERS TO ADD SPICE TO YOUR IMPERIAL GUARD SQUADS?

TRY COMBINING PLASTIC KHORNE BERZERKERS AND PLASTIC ASSAULT MARINES TO INCREASE YOUR POSITIONING OPTIONS.

YOU COULD USE THE ARMS FROM THE KHORNE BERZERKERS SPRUE ON YOUR RAPTORS.

SKAVEN

All ye beware! for the chittering hordes are amongst us. Like a cancer they spread from the dread blighted marshes, through labyrinthian tunnels running the length of the known world. Think not that you are safe in your bed for they lurk in every sewer, in every catacomb in every city. Beware the rats that walk like men my friends, beware the Skaven!

THE CITADEL JOURNAL WANTS YOU!

The Citadel Journal is written by fanatical GW gamers for fanatical GW gamers. It's you that makes the Journal the unparalleled hobby magazine that it is – a forum for every collector, painter, modeller and army commander. So, get writing!

What we want :

- **A scenario or campaign for one of our games systems.**
- **The tried and tested House-rules or tactics that you use in your games.**
- **Ideas for collecting, modelling, converting and painting with Citadel Miniatures.**
- **The review of a tournament/convention/club that you have attended.**
- **Articles must be accompanied by photographs of your models, yourself, conversions and your players where possible (We are far more inclined to feature an article with the proper visual representation than one without).**
- **A few details about yourself – how old you are, where you're from, how long you've been a gamer and which games you play.**
- **If possible, supply articles on disc. We can read most formats so disc submissions will make our job a lot easier and we like that!**
- **Why not e-mail us your articles? You can send your ideas direct to the Journal Bunker on: journal@games-workshop.co.uk**

Send your articles, or for a full set of Writer's guides send a self-addressed envelope to:
